Unions at Fault, Says Cameron

* * *

COLIN CAMERON
. . . 'kick in the teeth'

VANCOUVER (CP)—Labor unions are largely responsible for their own "precarious" condition today, says Colin Cameron, former CCF member of Parliament.

As long as the union movement concentrates on spiralling wages, it leaves itself open to further restrictions, Mr. Cameron told a CCF open forum Sunday.

"The voices of those left behind in the wage spiral," he said, "and of the chamber of commerce give Mr. Bennett the chance to kick labor in the teeth."

"The more they are left behind,'" he said, "the more it will embolden those who want to suppress democracy.

"Today we have rising prices and rising unemployment. In past years, the one would contradict the other. Not today.

"If the market shrinks today, prices are increased to compensate. A few years ago, prices would have been reduced."

Leopard Kills Native Girl

ZOMBA, Nyasaland (Reuters) — A nine-year-old African girl was clawed to death by a leopard near here while attending a funeral.

Wife Saved, Husband Dies

WATERTON, Mass (UPI)—A 35-year-old father of two, frantic after losing sight of his pregnant wife when their canoe was swept over a low waterfall, drowned Sunday in the swirling waters of the Charles River while searching for her.

Though the victim, William Welch of Brookline, probably never knew it, his wife was safe in the hands of rescuers.

A sudden gust of wind swept the couple into a rapids and over the four-foot falls. The churning waters blinded Welch and he could not see that his wife was swept toward the bank, where rescuers picked her from the water.

Tramp Sought In Five Deaths

BALTIMORE, Md. (UPI)—Police Chief Wilbur Wade speculated yesterday a "bushy haired" tramp may have killed the four members of the Carroll Jackson family and buried their bodies in shallow graves.

Wade said the brutal slayings appeared to be the work of the same man who killed Mrs. Margaret Harold on a secluded road near Annapolis, Md., in June, 1957.

"If we get the man who killed the Jacobs, I believe we'll get Mrs. Harold's murderer," Wade said.

Park Taboos Bring Chide For 'Killjoys'

"Bunch of killjoys, that's all!" grinned city manager C. C. Wyatt yesterday as city council parks committee debated what should be allowed and what should be banned in Victoria's parks outside the city.

It wasn't quite that bad: the committee did vote in favor of banning dancing at the Thetis, Elk and Beaver Lakes concessions without city permission, and did rule out camping, but rejected a proposal to forbid concessionaires to rent boats to persons under 21 years old.

The discussion arose from proposed terms of a contract to operate the concessions at the three lakes and Royal Athletic and Macdonald Parks. Plan is to have one operator for all five concessions.

The committee decided that bids for the contract should be sought on the basis of a lump sum and a percentage of gross sales, the concessionaire to be responsible for all maintenance in designated areas and the city to be responsible for the provision of lifeguards.

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

Toronto, Ont. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished quickly and without discomfort of any kind. This new tablet does its work internally, through the blood stream. It deposits into every drop of blood plasma a medication which is carried to the sinus area, where it shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, Dristan Tablets. Dristan Tablets cost only $1.25 for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

travel in Comfort to the OKANAGAN on the CNR's LUXURIOUS THROUGH SLEEPING CAR

★ No train changing
★ Convenient overnight schedules
★ Smart modern equipment

The ONLY "Through Sleeper" Service to the Okanagan from Vancouver

Travel Weekends and SAVE!
